Subject: Email for time extension

Dear Sir

We are in receipt of your email dated 5th October, 2020 wherein you have informed that the COC has resolved to amend the RFRP document.

In light of this amendment in the RFRP, we request you kindly extend the timeline by 15 days in terms of regulation 36B (5). Further, as you would note from your records that the IM was received by us 10 days after the receipt of RFRP document, i.e. on 18th September, 2020. Therefore, we did not get requisite time to submit the resolution plan.

We also wish to draw your attention to the fact that we are unable to access the data room. Please find attached herewith screenshots of the error messages that are being displayed upon clicking the link shared with us. You are requested to have this technical glitch remedied at the earliest possible.

Keeping the above-stated reasons in mind, we request you to kindly extend the timeline for submission of the resolution plan, atleast for two more weeks.

We would also be grateful if the learned RP could inform us about the last date of the CIRP, as per the recent extension/exclusion provided by the Hon'ble NCLT.

We reaffirm our commitment to submission of resolution plan in the matter and hope to hear from you on this email at the earliest possible.

Sincerely

For SMV Agencies Pvt. Ltd

Shashank Varshney
