Dear Sir,

This is in reference to your trailing mail. Kindly note that CIRP is a time bound process, wherein the Resolution Professional has to complete the process within the stipulated time. In view of the same and considering that the filing of the appeal by before Hon'ble NCLAT does not bar the undersigned from proceeding with the matter, the undersigned is requesting you to file your claim within the additional period of three days from the date of this mail failing which the undersigned will not have any option but to proceed with the process of seeking the voting of the CoC on the two resolution plans received.

Thanks & Regards

Nilesh Sharma
